

INFRARED INDOOR

2 Person Full Spectrum Sauna in Black

Elevate your home wellness space with our 200FN 2-Person Black Full Spectrum Infrared Sauna. Combining advanced infrared technology with a sleek, contemporary black finish, this sauna delivers a premium relaxation and recovery experience while making a striking addition to your home. Designed for two people, the sauna features a full-spectrum infrared heating system, red and near-infrared light therapy, integrated Bluetooth audio, touchscreen controls, tempered glass, and a natural cedar interior.
