

Warranty Registration Form

This warranty applies only to saunas and related products purchased **new and directly from SunRay Saunas or from a third-party affiliate or authorized reseller expressly authorized by SunRay Saunas to sell such products**. The warranty is provided solely to the **original purchaser** and is non-transferable.

This warranty **does not apply to any product that has been purchased, acquired, or obtained second-hand, used, pre-owned, resold, transferred, assigned, or otherwise acquired from any person or entity other than SunRay Saunas or an authorized SunRay Saunas affiliate or reseller**. This exclusion includes, without limitation, products purchased through private-party sales, online marketplaces, auctions, liquidation sales, estate sales, classified advertisements, unauthorized dealers or distributors, or any other secondary or unauthorized sales channel.

Any subsequent purchaser or transferee of the product shall have **no warranty rights under this warranty**, regardless of whether the product remains within the original warranty period.

SunRay Saunas reserves the right to require proof of original purchase, including an original sales receipt or other documentation reasonably acceptable to SunRay Saunas, before honoring any warranty claim. SunRay Saunas may deny any warranty claim where the claimant cannot establish that the product was purchased new by the original purchaser directly from SunRay Saunas or through an authorized SunRay Saunas affiliate or reseller.
