

INFRARED OUTDOOR

Burlington 2-Person Outdoor Infrared Sauna

The Burlington outdoor infrared sauna has a sealed weatherproof finish and metal composite roof for long lasting durability against the elements. The Burlington has deep bench seating in the rear which comfortably seats 2 people. Six powerful infrared heaters will quickly get the sauna to your desired temperature, up to 140 degrees. The Burlington is the perfect size for a backyard patio. This sauna includes an oxygen ionization system for purifying the air, recessed interior lighting, Bluetooth speakers, cup holders, and more.
