

INFRARED OUTDOOR

Cayenne 4-Person Outdoor Infrared Sauna

The Cayenne 4-person outdoor infrared sauna has a metal composite roof and a sealed weatherproof cabin, making it suitable for outdoor use. 10 Far Infrared heaters will quickly get the sauna to your desired temperature, up to 140 degrees. The Cayenne includes wide bench seating for maximum comfort, an oxygen ionization system for purifying the air, recessed interior lighting, Bluetooth speakers, cup holders, and more. The Cayenne is easy to assemble and the durability of the natural Canadian hemlock wood cabin will provide years of enjoyment.
